Fall Registration Form (for current students)

Note 1: We remain flexible with our scheduling options, offering 2, 3, or 5 days of attendance per week. However, we've found that a minimum of 3 days is most effective for our Nursery Program, and a full 5-day schedule greatly benefits our Pre-K / K-Ready Program participants.

Note 2: If there are any updates to your address, contact information, or authorized pick-up persons, please update your details at www.myprocare.com. Alternatively, you can reach out to us via phone or email, and we'll make the updates on your behalf.
